

A Synchronous Embedding of Antescofo, a Domain-Specific Language for Interactive Mixed Music

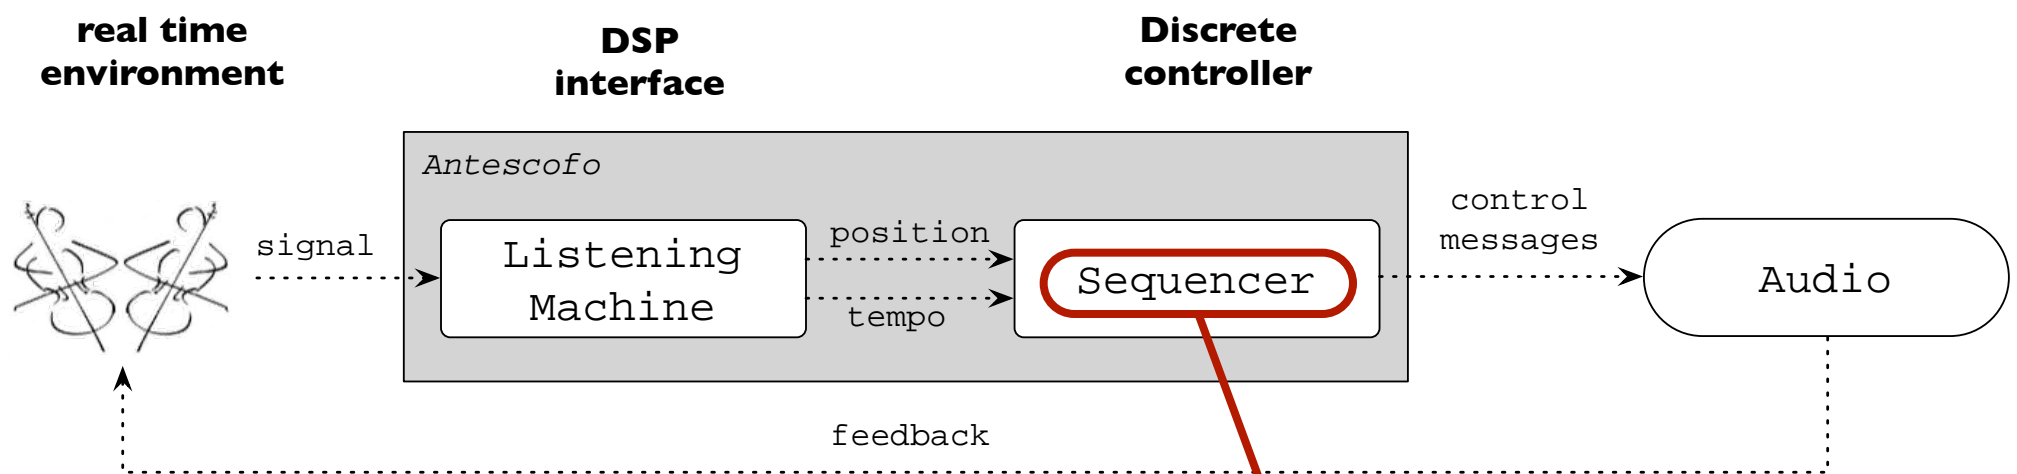

Guillaume Baudart, Florent Jacquemard, Louis Mandel, Marc Pouzet
 PARKAS Team, MUTANT Team

A Language for Mixed Music

synchronization strategies
 error handling strategies

Antescofo: a Musical Reactive System

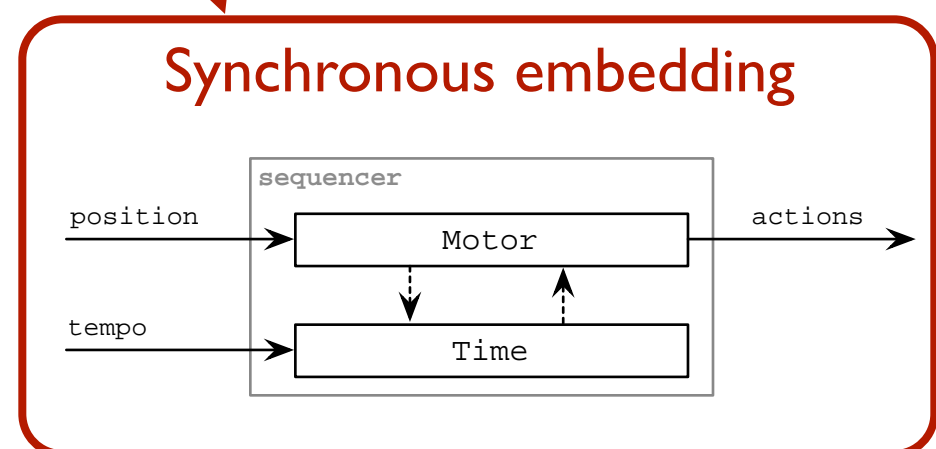

Contributions

A new semantics for the language
 Embedding in a synchronous reactive language

Applications

A powerful tool for prototyping new features
 Experiment new kinds of interaction
 Live Coding
